Orange Coast College

Hey, High School Students! With Concurrent Enrollment at Orange Coast College, you can save time and money by earning college credits in high school! Start your college experience *NOW* by enrolling in college-level transferable courses. Don't see the class you want? Check out the full class schedule online.

OTHER BENEFITS INCLUDE:

- Explore fields of study that may help in choosing a major or future career.
- Be better prepared for the demands of college-level courses.
- Reduce the amount of time to earn your college degree.
- Enjoy access to the college library and campus resources.

MORE ABOUT DUAL & CONCURRENT ENROLLMENT AT OCC:

- OCC uses "Dual Enrollment" to include all opportunities for high schoolers to enroll in college courses with us. The opportunities in this book are "Concurrent Enrollment" or what our website calls "Concurrent (Non-CCAP) Enrollment." This means that you will earn college credit, but not high school credit. If you're interested in receiving both high school and college credit, you should check with your high school to see if there are specific courses that might be best for you take.
- Be on the lookout for traditional Dual Enrollment or "CCAP Dual Enrollment" opportunities; these are OCC courses that are offered for free on your high school campus for which you can often receive both college and high school credit.

[ENROLLMENT STEPS]

Start on these steps to becoming an OCC Dual and Concurrent Enrollment student today!

STEP 1: APPLY TO ORANGE COAST COLLEGE

Complete the online application for the semester you plan to attend. Select the option for "enrolling in high school and college at the same time." You do not need to reapply each semester unless you skip two primary semesters (Fall and Spring), or you will be graduating from high school and attending as a First-Time College Student.

STEP 2: COMPLETE THE OCC DUAL ENROLLMENT FORM

After you receive your OCC Acceptance Email, which includes your OCC Student ID Number, complete the Concurrent Enrollment Form. It is a good idea to include all the classes you are considering taking this semester on the form, because sometimes your first choice may be unavailable at your registration date. Be sure it has the appropriate signatures (One time parent/guardian consent form and your HS Principal). Email it to dualenrollment@occ.cccd.edu. You will be notified via email when the form is processed.

STEP 3: REGISTER FOR THE APPROVED COURSE(S) ON YOUR FORM

You may register for your approved courses anytime on or after your registration window opens. View when your window opens on your MyCoast Account. Log into MyCoast ➔ select the "Registration" tab ➔ find "Registration Status & Checklist." All registration is done online in your MyCoast portal. Check out this video – How to Register – for a step-by-step guide on how to register. After you register, pay your course fees to secure your seat in the class; you may be dropped from the class for not paying your fees on time.

[SPRING COSTS]

California high school students who take a course with us do not have to pay the per unit enrollment fee. However, students will be required to pay a one-time fee of $32.00 and for any textbooks and materials they need for their course. Please note that if you are an Orange County high school student in financial need, you may receive financial help to cover the cost of the one-time fall fee of $32.00 and for textbooks and materials for any course on this list only. Contact dualenrollment@occ.cccd.edu to see if you are eligible for financial help!
