Account Information

It is the student's responsibility to drop class(es) by the appropriate deadline as shown above. Students who remain enrolled after the refund deadline are not eligible for a refund and remain financially responsible for payment of fees even if they drop the class or are dropped by their instructor.

Payment is due immediately upon registration. Please refer to the college website for payment options and financial aid information.

Outstanding balances must be paid in full by the fee payment deadline. Unpaid balances may result in students being dropped from classes (including Waitlist classes) to make seats available for other students seeking to register. Refer to your college's Non-Payment Drop Schedule for more information.
