

# Orange Coast College Foundation

## Annual Report 2010–2011

## DEAR FRIENDS OF ORANGE COAST COLLEGE FOUNDATION:

Since 1985, the Orange Coast College Foundation has built a legacy of providing support for programs and projects that benefit our students.

I am particularly grateful to the generous donors acknowledged in this report. Their continuing gifts over the last 25 years have benefited our students through scholarships, support of the College's performing and visual arts, assistance for the Harry & Grace Steele Children's Center, funding for OCC athletic teams, gifts to the college's nationally renowned School of Sailing & Seamanship, and a myriad of college programs and projects.

As we look ahead to the next few years, the Foundation is slated to begin construction on the Planetarium at OCC, a one-of-a-kind learning destination that will serve the campus and surrounding communities. Additionally, through funds already raised, we will be expanding the School of Sailing & Seamanship's Marine Training Program, constructing a new entrance for the Wendell Pickens Baseball Field, and continuing to support student services and programs.

Again, we are grateful for your support, and we look forward to all the wonderful opportunities you create for the students of Orange Coast College.

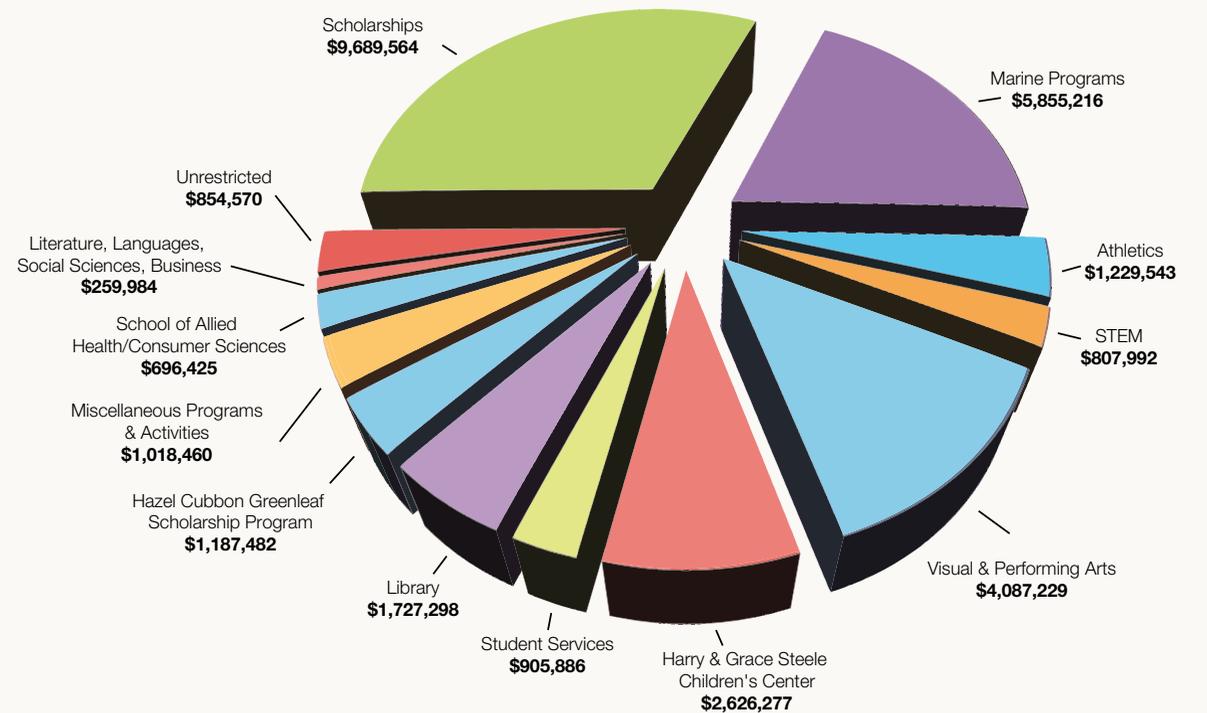

Sincerely,

A. Patrick Munoz  
Chairman, Orange Coast College Foundation

## OUR MISSION: STUDENT SUPPORT, STUDENT SUCCESS

The Orange Coast College Foundation supports the college by encouraging gifts of time, treasure and talent from alumni, campus stakeholders, and community members. Since its founding in 1985, the Orange Coast College Foundation has received over \$63 million that has been split almost equally between cash donations and in-kind gifts of property, boats and equipment. As of May 2011, the Foundation had cash assets of over \$13.5 million.

The OCC Foundation dedicates its fundraising efforts toward supporting students at Orange Coast College. These efforts include current and future students as well as reaching out to the community for mutually beneficial programs. In addition to the more than \$9.6 million in scholarships awarded to 6,500 students, the donors of the OCC Foundation have provided a breadth and depth of contributions supporting students and the surrounding community across the curriculum spectrum: allied health, athletic fields, library, computer centers, and on the waterfront. These generous donations reflect the vast array of opportunities available at the Orange Coast College campus.

The Foundation directs \$1 million in donations to The Robert B. Moore Theatre to add air conditioning, improve acoustics, upgrade seating, modernize flooring and enhance lighting.

The George Hoag Family Foundation donates \$56,800 to the Plastination Lab.

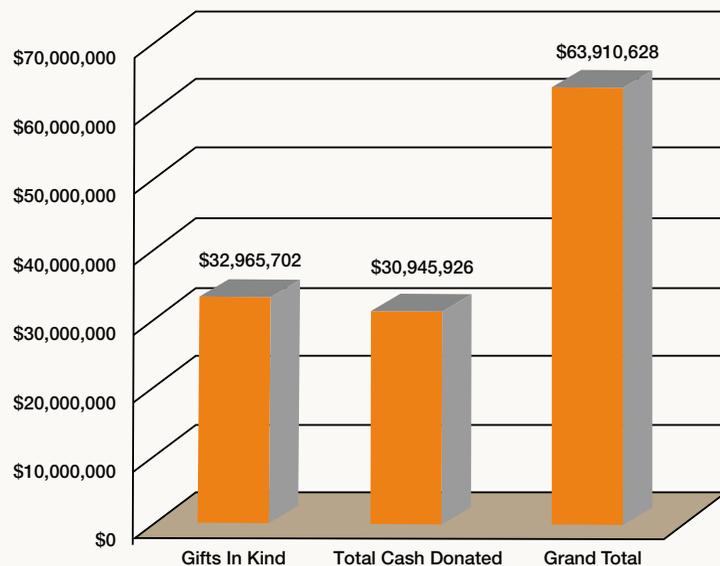

## DONORS MAKE THE DIFFERENCE

During the past 25 years, the Orange Coast College Foundation has been the recipient of generous donations from supporters of the College's facilities, activities, and programs – all aimed at creating better opportunities for students attending Orange Coast College as well as outreach to surrounding communities.

In addition to cash donations, the OCC Foundation offers donors a variety of deferred giving

opportunities including charitable gift annuities, securities transfer, life insurance gifts, bargain sales, and bequests.

## BRIDGING THE FUTURE: A LOOK AHEAD

The Orange Coast College Foundation boasts a legacy of successful capital campaigns to fund facilities and buildings that serve students. Over the past 25 years, projects have included the Harry and Grace Steele Children's Center, the Frank M. Doyle Arts Pavilion, the renovation of the Robert B. Moore Theatre, and the Nautical Library and classrooms at the OCC School of Sailing & Seamanship. The need for updated and upgraded facilities remains, and the Foundation is committed to meeting these needs through our current Capital Campaigns:

\$10 million to build a new, state-of-the-art Planetarium on campus for students and stargazers of all ages. [More Info](#)

\$300,000 to help build a new entrance to the baseball field with restrooms, snack stand, and press box – breaking ground in Summer 2011.

New Marine Science Training Center and Bridge (date and costs to be determined) at the School of Sailing & Seamanship.

## ORANGE COAST COLLEGE SUPPORTERS

The list below represents the names of individuals, companies, foundations and organizations whose cumulative cash and in-kind contributions to the Orange Coast College Foundation total more than \$5,000 over the past 25 years.

### OVER \$1 MILLION

- Associated Students of OCC
- Doug Baker
- Maruja Baldwin
- Roy Disney
- Gertrude Doyle
- Hazel Cubbon Greenleaf Scholarship Trust
- Elizabeth Steele
- Harry and Grace Steele Foundation
- Henry H. Wheeler

1993

The Foundation raises \$100,000 to augment a \$2 million contribution by the ASOCC to remodel the Student Center dining room, entryway and ASOCC offices.

OCC receives and finalizes a \$1 million endowment by Maruja Baldwin to assist the OCC Crew.

1993

## LEGACY OF KINDNESS: MARUJA BALDWIN

When Maruja Baldwin moved into her Lido Channel home in the 1970s, she got to know her “neighbors” at the Orange Coast College Sailing & Rowing Center. The OCC crew team was building its program and needed to replace outdated wooden shells.

Maruja responded, and her initial gift sparked an ongoing love for students, coaches, and alumni. The OCC oarsmen would hang banners in her honor and sing happy birthday to her from the sidewalk below her balcony. Many became her friends for life.

In addition to serving on the Foundation’s Board of Directors for six years, Maruja provided a major leadership donation to the campaign to renovate the Robert B. Moore Theatre and funded multiple student scholarships.

She also established a \$1 million charitable remainder trust for the benefit of the Men’s Crew. Upon her death in 1998, the trust’s principal came to the Orange Coast College Foundation, where the earnings continue to support the program.

*Her gift continues to make dreams come true for “my beloved crew.”*

## TRADITION OF WINNING: OCC CREW

OCC’s Men’s and Women’s Collegiate Crew programs, located on Newport Bay, originated with two military quonset huts on a sand lot with classes taught on the lawn. Today, the publicly accessible waterfront campus produces some of the top athletes in the nation. In fact, Coast crews compete only with four-year colleges and universities, achieving a winning average of 80%.

The OCC Men’s rowing program, for example, became the first collegiate crew to be invited to the Peoples’ Republic of China, and more than a dozen times competed in the prestigious Henley Royal Regatta in England. David Grant, a coach of the Men’s Crew, served as a coach for the U.S. Men’s Olympic Rowing Team.

1996

The W.M. Keck Foundation donates \$250,000, and the Weingart Foundation donates \$100,000 to the Harry & Grace Steele Children’s Center.

1997

The Harry and Grace Steele Children’s Center receives a total of \$1.5 million in donations to construct its new facility.

## BUILDING FOR TOMORROW: HARRY AND GRACE STEELE CHILDREN'S CENTER

Since its founding over 40 years ago, the children's center on the campus of Orange Coast College has served nearly 7,500 students and parents. The center provides affordable and comprehensive child development services to the children of OCC students. More than 170 children enroll each semester. Fees are set by the State of California on a sliding scale based on income and ability to pay. In 1995, the Foundation raised \$1.5 million for a new facility. To ensure a balanced learning environment, the center features a garden, learning labs, a bike path around the perimeter, and a barn that houses chickens, goats, and sheep.

2010 saw the completion of the new School Age Classroom Building, which was funded by \$900,000 in contributions raised through the OCC Foundation. This goal was reached through the assistance of major gifts from the ASOCC, Harry and Grace Steele Foundation, Pacific Mutual Foundation, and a generous anonymous contributor in the community.

### FACT BOX:

## THE GIFT OF EDUCATION: ESTATE PLANNING

Below is a list of individuals who believed enough in the work of Orange Coast College to include the Foundation in their estate plans. Because they wanted to ensure that OCC remains a force for good in the lives and careers of generations of students, they made gifts in their wills and trusts.

- |                           |                   |
|---------------------------|-------------------|
| Margaret "Maxine" Andrews | Bucky Pofahl      |
| Maruja Baldwin            | Helen Prothers    |
| Charles & Betty Beecher   | Ernest J. Schag   |
| Mikel Bistany             | Olive Lipot Stahl |
| Shirley Brooke            | Richard Steele    |
| George Ciarlo             | Herman R. Tate    |
| Alberta Hood              | Makoto Yoshida    |
| Dr. Richard A. Houghton   |                   |

The Orange Coast College Foundation deeply appreciates the support provided by these individuals to the college. If you would like to learn more about how you can include Orange Coast College in your estate plan, please contact Doug Bennett, Executive Director, Orange Coast College Foundation – (714) 432-5126 – [dbennett@occ.cccd.edu](mailto:dbennett@occ.cccd.edu). 1997

The Sailing Center receives donated boat "Wide Waters" valued at \$850,000 to launch powerboat programs.

OCC marks its 50th Anniversary and raises \$200,000 for scholarships.

1998

## SPIRIT OF ADVENTURE: ALASKA EAGLE

Students discover the spirit of adventure every time the Alaska Eagle sets sail. The ultimate hands-on learning experience, OCC's floating classroom builds skills and knowledge in an intense setting.

Under the OCC flag, the Alaska Eagle has logged 500,000 miles, reaching ports in French Polynesia, Hawaii, Alaska, Canada, and this year, a historic 18,000-mile voyage from Newport Beach, rounding Cape Horn, and back up through the Panama Canal. Alaska Eagle is certified by the U.S. Coast Guard as a sailing school vessel on "all oceans" routes.

She started her career as "Flyer," instantly famous for winning the 1978 Whitbread Round the World Race. Neil Bergt generously donated the renamed Alaska Eagle to Orange Coast College in 1982. For the past 26 years, the vessel has provided a unique and challenging training platform from the far reaches of the world to its berth at the OCC Sailing & Rowing Center. All upkeep and expenses are fully funded by private donations, fees, and boat donations.

The Foundation receives a unique international real estate gift — Rabbit Island in Canada. The island was sold in 2008 .

2002

## DOSE OF INSPIRATION: GUARDIAN SCHOLARS

In the fall of 2003, Orange Coast College joined with Orangewood Children's Foundation to support college-bound students exiting foster care, emancipated youth, or others missing critical family living. The program is dedicated to assisting these students with educational and interpersonal skills, as well as counseling needed to transfer to a four-year university or pursue vocational education. Sam Ghafari (pictured) is a current scholar who is pursuing his life goals with the help and support of this unique program. Now starting his second year at OCC, Sam is working on becoming either a medical doctor or a researcher in neurobiology.

Funded through individual, corporate, and community foundation donations, the OCC Foundation has sponsored more than 200 students. The program is especially rewarding to the Foundation because of the hands-on involvement in the students' experience at the College. The office provides access to a computer and work areas for homework and studying, as well as a dose of inspiration in the form of advice about classes and long-term educational planning.

The Sailing Center receives the famous boat, "Pyewacket", as a donation from Roy Disney.

2005

## MODEL OF INNOVATION: OCC SAILING CENTER

Orange Coast College's Sailing & Marine Program, among the largest in the United States, enroll more than 5,000 students every year. The School's facilities include offices, docks, workshops, and classrooms. The School maintains an extensive Nautical Library and 35 boats.

The publicly accessible waterfront campus is devoted to practical instruction in sailing, marine safety, seamanship, and vocational maritime studies. It also serves as the traditional "home base" and regatta site for the OCC Men's and Women's Collegiate Sailing teams.

Unlike the College, the School of Sailing & Seamanship relies on no public funding. Course fees and other income make up about 70% of its annual \$1.3 million budget. The remaining 30% comes from private gifts such as boat donations, marine equipment, books, and cash or securities. Over the past 25 years, the Foundation has raised nearly \$30 million in support of the program.

*James P. Warmington, local yachtsman and rowing enthusiast, provided several new Empacher vessels, enabling the Men's Crew program to compete at the highest level.*

2007

New library opens and campaign to raise \$500,000 endowment begins.

The Foundation receives over \$2 million in donations to help complete the construction of the new, modern arts facility: the Frank M. Doyle Arts Pavilion at OCC.

2007

## STAGED TO PERFECTION: ROBERT B. MOORE THEATRE

The Robert B. Moore Theatre opened its doors in 1956 and quickly became the cultural center for Orange County's burgeoning "Orange Coast." The theatre has served as a focal point for student productions, community presentations, and campus-wide lectures and special events. When the beloved theatre needed to be updated and renovated in the late 1980s, the OCC Foundation helped raise over \$1 million. Renowned architect Richard Neutra designed the theatre, and therefore, the improvements needed to keep within the original design and character. By 1993, the renovation was complete with new air conditioning, reconfigured hallway, enhanced acoustics, improved seating, and modernized lighting.

*The mission of the Orange Coast College Foundation is to develop sources of support for Orange Coast College to achieve its mission by encouraging gifts of time, treasure and talent from alumni, community members, faculty and staff, and community-based corporations, foundations, and organizations.*

2008

OCC marks its 60th Anniversary and raises \$50,000 for the Library Endowment at the Gala.

2009

The estate of Makado Yoshida donates \$90,000 to fund Visual Arts programs.

## Now More Than Ever: OCC Students Need Your Support

As California's system of public higher education battles through its toughest financial cycle ever, OCC students need your philanthropic support more than ever. For the Orange Coast College Foundation to continue to change the lives of students, we constantly need donations of time, talent, money, and property. Your donations for scholarships, performing arts, athletics, library services, and countless other programs across the campus are needed now more than ever. The combined gifts of our generous donors who include community members, retired and current faculty and staff, local companies, family foundations, and service clubs, help us meet the ongoing needs of our students.

To renew your support, simply return your gift in the reply envelope in this report.

Or you can make a gift online at [www.orangecoastcollege.edu/about\\_occ/foundation](http://www.orangecoastcollege.edu/about_occ/foundation)

If you are interested in volunteering, or if you'd like to discuss ways that you can support Orange Coast College, please contact:

### Service is Their Motto: National Charity League Newport Juniors

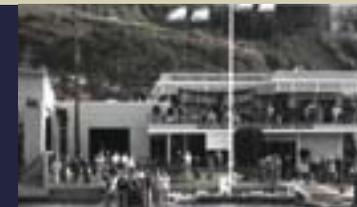

*With a motto like "Mothers and Daughters Serving Communities Together," it's easy to see why the National Charity League Newport Juniors adopted OCC's Harry and Grace Steele Children's Center, which provides childcare services for qualifying OCC students. Over the past 19 years, the charity has awarded grants totaling \$250,000 to benefit the Children's Center, the most recent a \$24,000 donation. The annual gifts fund educational supplies, field trips, playground equipment and classroom activities.*

*Every effort has been made to ensure the accuracy of this list. We apologize for any names inadvertently omitted. If you have any questions about this list please contact Doug Bennett at (714) 432-5126.*

The Steele Children's Center uses \$900,000 in donations to complete construction on classroom building for school-age children.

\$600,000 in OCC Foundation donations are combined with Measure C funds to provide needed upgrades for earthquake safety, Women's Crew facilities, and enhanced access for the disabled at the OCC School of Sailing & Seamanship.

## STUDENTS AND YOU: A WINNING COMBINATION

The Orange Coast College Foundation is privileged to have worked with over 20,000 generous donors and awarded \$9.6 million in direct student scholarships over the last 25 years.

With a diverse student population, the breadth and depth of scholarships offered by the OCC Foundation match the College's program offerings. There are over 400 individual scholarships created to serve students attending Orange Coast College. These scholarships cover academic achievement, leadership, community service, career preparation, and nearly everything in between.

In addition, the word "scholarship" is more than an individual award to the Foundation. There are scholarships for renting textbooks on a two-hour basis at the Library, purchasing materials to enroll in labs, or providing bus passes and meals.

Orange Coast College students are supported through the vision of our donors, faculty, staff, and alumni who generously give of their money, time, property, and estates. It's a winning combination that benefits the future of our students and our community.

*"The key to the OCC Foundation has been its steady support of the campus; meeting students' needs while exceeding the expectations of the community."*

*Brad Avery, Director  
 OCC Marine Program & Sailing Center  
 Foundation Grant Recipient*

## WIN-WINS WORTH NOTING

590 current OCC employees have donated \$968,000 to the Foundation.

545 retired OCC employees have donated \$1.9 million to the Foundation.

82% of donations received have been in increments of more than \$25,000.

Since 1985, more than 20,000 individuals, companies, and estates have donated to the Foundation.

The Foundation has raised a total of \$60 million to support student and campus services.

The Foundation has awarded more than \$9.6 million in student scholarships over the past 25 years.

2010

Jim and Martha Newkirk donate \$125,000 to fund new entrance to the baseball field.

Anonymous local donor gives a series of gifts over 13 years that total \$985,000 for Steele Children's Center and Marine Science.

2011

January marked my 25th anniversary as the Executive Director of the Orange Coast College Foundation. In 1986, I was fortunate enough to be hired into an opportunity of a lifetime – the first full-time executive director of the foundation for one of America's greatest community colleges.

The College had already started building a tradition of entrepreneurial philanthropy under the leadership of Dave Grant, Sharon Donoff, and others. Together, and with the continuing support of volunteer board members, community volunteers, faculty, staff and, most importantly, thousands of generous donors, we have raised over \$60 million to support Orange Coast College. The OCC Foundation has helped change the lives of thousands of students through scholarships, provided support for Orange County foster youth through the Guardian Scholars program, changed the face of the College through the construction of the Harry & Grace Steele Children's Center and the Frank M. Doyle Arts Pavilion, supported the renovation of the Robert B. Moore Theatre, supported OCC's nationally recognized Intercollegiate Rowing & Sailing Center, and helped revitalize the face of the entire campus through the OCC Foundation's support in partnership with Measure C.

As I reflect on a quarter century at Orange Coast College, I am enormously grateful to the hundreds of donors and volunteers listed in this report whose generosity have made these achievements possible. I am honored to have been led, managed, inspired, hired, promoted, tolerated, and at times, chastised by my presidents – Dr. Don Bronsard, Dave Grant, Jim Mollwain, Margaret Gratton, Gene Farrell, Bob Dees, Denise Whittaker, and Dr. Dennis Harkins. And finally, none of this would have been possible without the enthusiasm and commitment of the seven individuals I have had the opportunity to lead in that time – Nancy Timmons, Rene Kinn, Julie Clevenger, Tabatha Wilson, TJ Nguyen, Liz Parker, and Mike Canett.

Thank you for all you have done for the students of Orange Coast College.

Warmly,

Douglas C. Bennett  
Executive Director

ORANGE COAST COLLEGE FOUNDATION 2010/11 BOARD OF DIRECTORS ROSTER

**Officers**

- Chair A. Patrick Munoz
- Vice-Chair Jeff Hyder
- Secretary Janet Terrell
- Treasurer Rush Hill, II

**Directors**
