Film List

No Way

2023, France, 4 minutes

Jean-Baptiste Chandelier takes his unique low-flying, ground-skimming art combining paragliding and filmmaking to a whole new level.

The Ascension Series: Morag Skelton

2023, United Kingdom, 5 minutes

Morag Skelton doesn't let anything stand in the way of her love of nature. As a deaf climber, she is constantly pushing the limits of what is possible on the mountainside.

School of Fish (Best Short Film)

2022, USA, 19 minutes

Indigenous people and salmon have been intertwined for thousands of years in Bristol Bay, Alaska. For the last century, corporations have sought to extract the wealth of this rich region and now Pebble Mine threatens to pollute its pristine headwaters. Can the next generation step up to defend the most prolific salmon run left on earth?

Chronoception (Tour Edit)

2023, France, 41 minutes

Thomas Delfino, Léa Klaue, and Aurélien Lardy, embark on an ambitious expedition in the mountains of Kyrgyzstan to ski the Kokshaal-Too range. This

skilled team, accompanied by renowned guides Hélias Millerieux and Jean-Yves Fredriksen, finds themselves propelled into a space where time seems to have suddenly come to a halt.

To Be Frank

2023, USA, 12 minutes

Frank Paine is a 73-year-old South Bay icon and humble local legend whose life orbits around a two-block stretch of beach. His unforgettable mustache is what most first notice, but his magnetic spirit and unwavering passion are what keeps the Hermosa Beach surf community connected and whole.

Going Greenland

2023, USA, 23 minutes

What happens when you combine a renewable energy sailboat with an arctic ski expedition in Greenland for the first time ever? Athletes Rachael Burks and Jessica Baker put the idea to test and endure a both harrowing and inspiring journey along Greenland's West coast fjords and towering mountains.

Well Worn Life with Dani Reyes-Acosta

2022, USA, 6 minutes

Meet Dani Reyes-Acosta: a mountain athlete, land cultivator, and storyteller whose path consistently seeks the limits of her possibility.

Reel Rock: DNA

2023, USA, 23 minutes

French sport climber Seb Bouin has been quietly working his way through elite grades, culminating in his attempt to establish a long pitch through an overhanging cave in the Verdon Gorge of France — possibly the most difficult route in the world!
