SCHOLARSHIPS INCLUDE OPPORTUNITY!

Scholarship recipients become ambassadors for the OCC Photography Department, joining a distinguished group of students who have earned this honor in the past. This is an exciting opportunity to showcase your talent and be part of a supportive creative community. As a scholarship recipient, you may be invited to exhibit your work, participate in department and college events, student exhibitions, and Instagram Takeovers, where you can share your experiences and daily life at OCC Photo. These activities help build connections, create opportunities, and inspire others. We offer our full support and guidance along the way. We encourage all scholarship recipients to actively engage in these opportunities to further your growth. We're excited about the possibility to have you as part of our creative community and can't wait to see you shine as a part of our OCC Photography Department!
