Item 1: Approval of Agenda & Minutes / General Discussion

TOPIC	PRESENTER	
Welcome, Approval 10/16/24 Agenda, Approval of 10/02/24 Minutes	Lori Pullman	
	Motion to approve the agenda for 10/16/24 and minutes from 10/02/24 meeting/ second: Michael Lannom/ Jamie Hitchings	
Curriculum Chair Update	Lori reminded the Committee that no abuse or harassment of any Committee member will be tolerated. Any actions of this nature that is reported or made known to her will be reported to Human Resources. She encouraged members to maintain a collegial working environment. She clarified that current Committee members are not part of this behavior, and members were thanked for their service on the Committee. She will be soliciting for Committee members to fill in the voids in the vacant Curriculum Committee positions. Lori Pullman – Accreditation. The college has begun campus-wide review of the ISER (Institutional Self-Evaluation Report). Standard 2 regarding Curriculum Development, has been done. The final report will be sent to ACCJC in August of 2025. All were encouraged to review the standards and provide feedback where applicable. OCC – Multiple Associate in Arts Degrees. The Committee’s decision to have the college offering multiple Associate in Arts Degrees was brought forth by Lori to the Academic Senate. CalGETC – The college will reduce units in the Social Sciences area. The amount of units was reduced from 9 units to 3 units. Students will still be able to choose the Social Sciences courses to fulfill other areas of the GE requirements. The language for requirements for additional Associate in Arts degrees was discussed. The committee agreed to have the language mirror the language for the Associate in Science Degrees.	

	"A candidate for an additional associate degree must complete the requirements for a separate major at Orange Coast College, including an additional 12 or more major-related units of credit at Orange Coast College beyond the requirements for the prior or additional degree." CCN changes from affected programs must be submitted. Any COR's or Program Records that list the courses affected by the CCN changes also must go through Curriculum. Add all user access to Division reps to access all subjects. The Curriculum Committee will meet to have workshops to revise these descriptions to comply with this. JohnPaul Nguyen will reserve a computer lab room for this. The dates for these workshops will be 11/06/24, 1 – 3pm, and Friday 11/08 /24, 9am – until 3pm, or as needed. Lori will seek options for Committee members to get FLEX Credit, release time, and forms of possible compensation for attending these workshops.	
Curriculum Staff Update	JohnPaul Nguyen – none.	5 minutes
