Geography - ADT	<p>ADT Cal-GETC Template</p> <p>Irene Naesse expressed her disagreement with the accuracy of the ADT template and its placement of GEOG A100 in the core instead of list A. Jaime Speed shared the same view. However, Jaime supported submitting the program with the current template, in order to keep both the Geography ADT and the local the Geography AA in the 2025-26 catalog.</p> <p>In consideration of Jaime’s concern to keep both degrees in the upcoming catalog, Irene agreed to submit the new template with GEOG A100 in the required core area, while committing herself and Jaime on working with her faculty discipline review group on correcting the ADT template issues for later implementation.</p> <p>Motion to amend the current Geography ADT with GEOG A100 or GEOG A100H as part of core instead of List A, to match the TMC template/ second: Jessica Gonzalez/ Jamie Hitchings, passed</p>	Fall 2025
