	OCC Residency Requirement (Tyler Boogar) Tyler Boogar, Academic Senate President, and the Curriculum Committee discussed how the residency requirement language had been implemented without a Curriculum Committee vote and should have gone through faculty purview under 10+1. Members discussed Title V, district authority, and whether local degrees may exceed minimum residency requirements; the committee focused on local AA/AS degrees, not ADTs. The committee voted to reinstate the prior local-degree language: "At least 12 of the units must be earned at OCC, with a minimum of one course taken for a letter grade. At least 3 units in an advanced course from the program must be completed at OCC." Tyler to share the residency decision in his Board report and Senate update. Motion: Melissa Barrios moved to approve reinstating previous residency requirement language; Mark Hamamura seconded; unanimously approved.
