NAME OF CLUB	DESCRIPTION & DETAILS
Christian Students at OCC	"We are believers in Christ Jesus from various backgrounds who love God and His word. We have fellowship with one another to pursue Christ, to spread the gospel, and to grow in God's life. We have a bible reading schedule, bible studies, intercollegiate, fellowship and many more activities. Follow us @csatocc on IG for more updates"
OC Robotics	OC Robotics wants to provide hands on learning opportunities in robotics for the students here through workshops in 3D CAD design, electronics, and software development. We support student led building by hosting internal competitions and collaborative team projects. This year, our primary focus is participating in the University Rover Challenge 2026, where we are building a Mars rover designed to sustain the harsh Martian environment. We are also engaging in fundraising efforts to support our projects and expand our educational workshops.
College Democrats at OCC	The purpose of the Orange Coast College Democrats is to pursue the ideas of liberty, justice, and freedom for all regardless of race, religion, gender, sexual orientation or income. We do this through the support of the candidates and values of the Democratic Party and by working with local leaders.
Runners of OCC	Hi! Runners of OCC is a running club for people of all levels and experiences! We're here to create a space for people to come out and socialize, run with others, and meet new friends!
Badminton Club	Our club welcomes anyone who's interested in badminton. Whether you're just looking to enjoy the fun of the sport, you're completely new and want a beginner-friendly environment, or you're someone who loves to sweat and compete, you're more than welcome to join us!
Accounting Club at OCC	The OCC Accounting Club is a student friendly space where anyone interested in accounting can connect, share ideas, and learn from one another. Whether you are curious about careers in accounting, want tips on classes, or just enjoy talking numbers, this club is the perfect place to grow together.
Sustainability Club	Earth Club is dedicated to promoting conservation and environmental stewardship by raising awareness of ecological issues, encouraging sustainable practices, and empowering students to take action to protect natural resources on campus and in the surrounding community.
GeoAdventure Club	"GeoAdventure Club aims to engage students with the natural world around them, fostering an understanding and appreciation of physical, cultural, and world geography through off-campus events. This semester, join us on fun hikes and a camping trip to empower students with practical, real-world knowledge regarding

	geography. Everyone is welcome!"
Coast Motor Club	Whether you like imports, domestics, bikes, trucks, or just vehicles in general, Coast Motor Club is here to create a social community for students who share an interest in cars and automotive culture. The club provides a welcoming environment for members to connect, share their passion, and participate in social events and activities that promote student involvement and campus engagement. Come say hi at one of our weekly meets!
Coast Investment & Finance Association	Our club's objective is to follow up on recent news to share critical insights and feedback for the best investment decisions. Through this, we can learn the way to filter the noise of news, build possible economic scenarios, make our own portfolios, and invest with risk management.
Architecture Club	Architecture Club is your go-to place for creativity, collaboration, and making new friends! We meet every week to dive into fun design challenges, play engaging games, and explore new ideas together. It's not just about learning, it's about building connections with like-minded people who share your passion for architecture and design. Whether it's through hands-on projects, friendly competitions, or casual hangouts, you'll develop your skills while having a blast. This club is intended to help members expand their knowledge of architecture as well as what it takes to obtain an Architecture degree. Come join us and make every meeting something to look forward to!
Girls Who Code	Girls Who Code is a nonprofit that works to close the gender gap in technology by supporting women and non-binary individuals in STEM. Our College Loop club is committed to creating a supportive and inclusive community for students interested in computer science, coding, and tech careers. We offer workshops, beginner-friendly activities, projects, and events that build skills, confidence, and friendships while promoting inclusion in tech on campus.
OCC Grupo Folklorico	The OCC Grupo Folklorico Club celebrates Mexican culture through traditional dance, music, and community events. The club provides a welcoming space for students to learn folklórico techniques, participate in rehearsals, and perform at campus and local events. Members build cultural pride, teamwork, and confidence while helping keep folklórico traditions alive at OCC.
Respiratory Care Club	To function as a fundraising and supportive organization; respiratory therapy students encouraging each other, participating in community and campus events to bring awareness to the profession and lung health and focusing efforts on raising funds to alleviate the cost of required credentialing examinations not covered by the program, grants, scholarships, or other forms of financial aid
Coast Aeronautic Astronautic Research Lab	"We are an engineering club focused on aerospace systems, but we welcome students from all engineering disciplines. Our projects include building rockets and drones designed to be launched and flown in the desert. Members also have the opportunity to earn a rocketry certification, which not only allows them to purchase higher-powered rocket motors but also serves as proof of their foundational rocketry knowledge to future employers. What You'll Learn Gain an understanding of aerospace regulatory bodies and the rules for operating in the National Airspace System (NAS). Apply concepts from physics and engineering coursework to real-world aerospace design projects. Use simulation software to model and analyze designs. Develop hands-on skills in fabricating aerospace components. Learn the processes behind flight testing, data collection, and system verification in aerospace engineering. Here is the link to our club discord: https://discord.gg/qCNHngs5Jn "
Student Veteran Association	The Student Veteran Association at Orange Coast College (SVA @ OCC) is an active, student-run chapter of the Student Veterans of America, dedicated to supporting veterans and military-connected students. Located in the Veterans Resource Center (VRC), the club enhances the college experience through camaraderie, networking, and advocacy.
Coastal Research and Biodiversity Society	"We allow students that are interested in marine science, environmentalism, and conservation the chance to gain hands-on research experience. As the sister club to the honor society Eta Eta Omicron, we also organize guest speakers come inform student about current events and opportunities get involved with marine science and conservation."
Astronomy & Physics Club	"OCC Astronomy and Physics Club is intended for all students of any major, whether you are a newfound space enthusiast or a veteran astronomer. Club members will have the opportunity to learn how to operate our telescopes, go on field trips to local astronomy-related destinations, lectures, and events, as well as overnight camping trips to stargaze."

Philosophy Club	We hold an inviting discussion for students to share their thoughts, exercise critical thinking, and practice public speaking on topics relating to ethics, logic, metaphysics, and more! This is a safe space to have open-minded discussions while exercising the brain and creating connections.
Muslim Student Association	The Muslim Students Association (MSA) is a valuable club because it fosters a sense of community and belonging for Muslim students on campus, providing a supportive environment where they can freely express their faith. It offers opportunities for members to engage in cultural and religious events, promoting a deeper understanding of Islamic traditions among both Muslim and non-Muslim students.
Mental Health Advocates at Orange Coast College	MHAOCC strives to transform campus culture around mental health by raising awareness, providing peer-to-peer training, and fostering a stigma-free, student-centered support network. We shall seek to empower students to take ownership of their well-being and become proactive stewards of empathy, resilience, and change.
Interior Design Club	"Our primary objective is to foster community, engagement and connection between interior design students and the broader community of interior design."
OCC Aviators Club	The OCC Aviators Club welcomes any student to a world filled with aviation career opportunities, networking, and fun activities. We strive to maintain an inclusive space where students can gain support in this field.
Circle K	Service, Leadership, and Fellowship
Slang Club	"Slang Club at OCC explores everyday English, slang, and modern communication in real-life situations. Our goal is to help students understand the meaning, origin, and cultural impact of slang while improving confidence in conversations. Through discussions, short research, and fun activities, we connect language, culture, and people."
Fashion club	Run by students for students
Rock Climbing Club	"OCC Climbing Club is a community built for climbers of all levels to connect, learn, and grow together. Whether you're just starting out or looking to refine your skills, we focus on developing climbing techniques, expanding gear knowledge, and fostering the trust and teamwork that make climbing such a unique sport. More than just a club, we're a family -- supporting each other on and off the wall while having an amazing time climbing. Come join us and reach new heights!
