NAME OF CLUB	DESCRIPTION & DETAILS
ResLife Club	<p>Reslife is a volunteer club that aims to provide support to departments on campus for any on-campus event they would like to host as well as collaborating with the housing and residential education department for various events at the Harbour at Orange Coast College.</p> <p>The unique part of Reslife is that their volunteers are not required to attend every volunteer event, club meeting, and etc. This makes getting involved on campus a lot more equitable as it does not add to a students list of commitments which can include a full-time job, family commitments, school work, social life, and so on. Our long term goal is to establish a resident life association and become part of student government.</p>
Christian Students at OCC	<p>We are believers in Christ Jesus from various backgrounds who love God and His Word. We have fellowship with one another to pursue Christ, to spread the gospel, and to grow in God's life. We have a bible reading schedule, bible studies, intercollegiate fellowship, and many more fun activities. Follow us @csatocc on IG for more updates.</p>
Social Media Club	<p>We are going to demonstrate the capacity to develop strategies, goals, and plans for the creation and management of content for successful social media initiatives. Analyze and assess how social media platforms are used to best serve the objectives of a business and its intended audience.</p> <p>Create and put into practice assessment techniques to gauge social media success.</p>
Astronomy Club	<p>OCC Astronomy Club is intended for all students of any major, whether you are a newfound space enthusiast or a veteran astronomer. Club members will have the opportunity to learn how to operate our telescopes, go on field trips to local astronomy-related destinations, lectures, and events, as well as overnight camping trips to stargaze.</p>
