ACADEMIC REGALIA

The significance of the academic regalia is indicated especially by the sleeves and hoods. The associate's and bachelor's gowns have pointed sleeves; the master's gown has long, closed sleeves; the doctor's gown has bell-shaped sleeves and velvet trimmings.

The associate's cape is about two feet long; the bachelor's hood is three feet in length; the master's three and one-half feet, and the doctorate's four feet. Hoods are lined with the color or colors of the institution from which the wearer received his or her degree. The color of the velvet border of the hood, which is two inches, three inches, and five inches wide for the bachelor's, master's and doctorate's degrees, respectively, indicates the faculty or field of study to which the degree pertains.

The color code is as follows:

Agriculture - Maize	Music - Pink
Arts, Letters, Humanities - White	Nursing - Apricot
Business Administration - Drab	Pharmacy - Olive Green
Dentistry - Lilac	Philosophy - Dark Blue
Economics - Copper	Physical Education - Sage Green
Education - Light Blue	Psychology - Gold
Engineering - Orange	Public Administration - Peacock Blue
Fine Arts - Brown	Public Health - Salmon Pink
Forestry - Russet	Science - Golden Yellow
Home Economics - Maroon	Social Work - Citron
Journalism - Crimson	Speech - Silver Gray
Law - Purple	Theology - Scarlet
Library Science - Lemon	Veterinary Medicine - Gray
Medicine - Green
