

TEXTBOOK SUPPORT PROGRAM

The Orange Coast College Foundation's goal is to help ensure access to textbooks for as many students as possible. A lending library has been established in the OCC Library through which textbooks for the "Top 100" classes at OCC are available for use in the library for 2 hours at a time. If your textbook is not already in the library, the library staff will make every effort to acquire your textbook.

The OCC Library hours are:

Monday – Thursday from 8am to 9pm - Friday 8am to 3pm

Saturday 10am to 3pm (Sat hours subject to change)

For students unable to take advantage of the "lending library" a limited amount of funding is available to support the purchase of required class materials. Up to \$300 can be made available through a Bookstore Account for the Fall and Spring terms only. Please fill out the application completely (an incomplete application will not be considered) and allow 2 – 3 weeks for the application to be reviewed.
