

# OCC HOUSING IMMUNIZATION RECOMMENDATIONS

The California Department of Public Health (CDPH) recommends colleges and university students obtain the vaccinations for those diseases that can be passed on to others by respiratory transmission.

All Housing Students are **RECOMMENDED** to:

- Obtain the Vaccines Listed Below
- Upload Your Records to the Student Health Portal

## RECOMMENDED VACCINATION

## PROOF OF IMMUNIZATION

**Measles, Mumps and Rubella (MMR)**

2 doses; **first dose on or after age one** - OR - Titer (blood test) showing immunity.

**Varicella (Chickenpox)**

*History of Chickenpox does not satisfy the recommendation.*

2 doses; **first dose on or after age one** -OR – Titer (blood test) showing immunity.

**Tetanus, Diphtheria and Pertussis (Tdap)**

*Td or Dtap does not satisfy the recommendation.*

1 dose **on or after age 7.**

**Meningococcal Conjugate Serogroups A, C, Y, & W-135**

*For students age 21 years and younger only.*

1 dose **on or after age 16** for all students that are under 22 years of age.

*Students 22 or older may leave blank.*

***All students must read and sign the Meningitis Information form.***

**Seasonal Influenza (Flu)**

1 dose on or after August 1, 2025

# HOW TO COMPLY WITH THE OCC HOUSING IMMUNIZATION RECOMMENDATIONS:

1. Be prepared! Gather all the info you will need to complete your recommendations online.
2. Go to the OCC Housing Health Clearances website and sign into the Student Health Portal.
3. Once you are logged in, from Home page, click My Forms, fill out the 1. Housing Clearance Consent form, 2. Meningitis Information form, and 3. OCC Housing Immunizations form.
4. Enter all the requested dates and submit immunization information.
5. Upload Images/PDF files of your immunization records and laboratory tests, by clicking on the "Select File" button at the end of the forms.
6. You can check your immunization status from the Student Health Portal home page.
